

## Consultation Process

### **Phase I – Questionnaire and one to one consultation was carried out during February and March 2011**

49 Questionnaires were returned the data extrapolated from these was used to generate draft recommendations.

### **Phase II – Public Exhibition of Draft Recommendations based on consultation was carried out from the end of March 2011 and will be displayed until the end of October 2011**

To date approximately 800 people have viewed the exhibition. Of these, 51 signed the register and 24 completed feedback forms.

### **Phase III – Collect Feedback from exhibition to incorporate into final recommendations for public funding bids**

All feed back to date has been logged in the draft report and this process will continue until the end of October 2011 .

### **Phase IV – Public consultation at Community Open Day**

Feed back from this event will be included in the preparation of the final proposals. Discussions will begin around the suitability of the draft recommendations and what adaption to these recommendations is required in order to create maximum benefits for all users.

The final report will be used when approaching funding bodies with final proposals.
